Notice is hereby given to prospective bidders that the Plans and Specifications for the subject project are modified as set forth in the Addendum Number 1.

This Addendum shall be attached to, and form a part of, the Plans and Specifications for the construction of the Streetlight Pole Replacement Project, City Contract Number 2017-556, on which to bid. A conformed set of plans and specifications will be issued after award of the contract.

SPECIAL PROVISIONS, PART I (Page 72) shall be added with the following:

Note: The contractor is advised that an underground fiber optic cable (Cable) part of the SMART Corridor project is along Harbor Boulevard and crossing Old County Road. The Contractor shall locate the Cable by potholing or the use of any other appropriate method and work around the cable. Full compensation for furnishing all labor, materials, tools, equipment and incidentals necessary for doing all work involved in locating the Cable, temporary supporting the Cable in place, and working around the Cable, as directed by the Engineer, shall be included in the unit prices paid for the various Contact items of work, and no separate payment or additional compensation will be allowed therefore.

ELECTRICAL PLANS shall be replaced with the attached.

Acknowledgement of Receipt of this Addendum to be submitted with the bid proposal.
